- ▶ Limit up to £250,000
- ▶ One simple fee per transaction
- ▶ Only pay for what you use

# TRIVER

# Get your receivable invoices paid instantly

Long invoice payment terms? Turn unpaid receivable invoices into instant cash, in a click - all on your terms.

## How it works

### OPEN

Open your TRIVER facility online in minutes

### UPLOAD

Upload your receivable client invoice

### RECEIVE

Get funds instantly into your account

### REPAY

When your client pays you, repay TRIVER by direct debit

### RE-USE

Advance more invoices, whenever you want

# Simple platform, simple pricing

All you pay is a simple discount fee of 0.06% per day, per transaction. There's no setup fee, no interest, and no early repayment fee.

## What you'll pay

Example transaction fees		Invoice Value			
		£5,000	£10,000	£50,000	£100,000
Financing Term	15 days	£45	£90	£450	£900
	30 days	£90	£180	£900	£1,800
	60 days	£135	£270	£1,350	£2,700
	90 days	£270	£540	£2,700	£5,400

## Client late to pay?

Request a repayment extension in a few clicks, and pay for the extra days at the same rate.

## Want to repay early?

Pay less by repaying early in the press of a button. You only pay for the days your invoice is advanced.

Triver Ltd (TRIVER) is registered in England under Company Number 14153437 at 123 Blythe Road, London, England, W14 0HL. TRIVER is registered with the Financial Conduct Authority with the number 991622.
